## TOP-FLIGHT DINING

Hoppies Landing is open daily for lunch and dinner. Located on the upper level of the main terminal, a full-service bar offers libations alongside a classic menu of steaks, fresh local fare, burgers, pizza, wings and more. Hoppies is known as "the best place to be grounded!" Ample window seating at this second-level restaurant also offers spectacular views of the PLN grounds and tarmacs for both commercial and general aviation flights.

## BUSINESS AMENITIES & MEETING SPACE

Free wireless Internet connectivity is found throughout the terminal for business travelers' convenience. Private workstations are quiet and confidential. A conference room with wired Internet can seat 20 in comfort and is available to rent at no charge; reservations required, (231) 539-8441. Catering is available for meetings. *Local art and wildlife displays are sophisticated additions to this community airport.*
